Richmond, Calif,
Apr. 18, 1920.

Dear Friend Alice:

I received your most welcome letter Friday in the after-noon mail and was sure glad to hear form you.

We are all feeling well and hope you are the same.

We are now having lovely weather. The sun is shining bright and it is nice and cool. About two or three days ago we had a light shower and ever after we have had lovely weather.

Is Arcadia very dead? I'll say Richmond is. There is never anything doing here. Ruth, Jeff and I went to Idora Park at Oakland last Sunday and we sure had a peachy time.

Say Alice, why did you say you would not wear silk stockings? I don't see anything wrong in wearing them. But, tell me your reason and

I'll see what I think about it. Will you?

Percis is some kid, I'll say. She will be two years old on July 22nd. She can't talk yet, anyway very plain. She can say a few things very plain and yet the easy words she cannot say. Pune's baby was just a year old Apr. 7. Say but its fun to see the two (towo) of them "scrap".

Walter will be in his high-chair and Percis will be standing on the floor along side of Walter and in a flash Walter will pull Percis hair then they start to yell and "scrap" to-gether. Say its fun to wash them.

Well, as I have nothing much to say I guess I will close for this time. Hoping to hear from you soon, I remain as ever,

Your loving friend,
Elsie Carr.

(Short and sweet, huh!)
